

Battle Snake

- You wanna go to war! - Lets battle.

Hook 1- It's the war that' s got us actin' hardcore
another trip to the store another body in the morgue
you better check the score to see whos keepin' up the floor
another MC on tour another mine to explore

Hook 2- It' s the scene that's got us actin' all mean
just another sowed bean another spoilt brat teen
keep watchin' the screen lets see what passes up for keen
another politician lean another can of office sheen.
