

## Groove (Steppin mix)

**Chorus-** Step into the groove, You know how BSE move  
We got a lot to do, ohhhhh.

- Groove, groove, jump back x 8  
and move it like that x 4 (over Groove,...)

### Verse 1

- Living up the club on pro plus  
Clearing the dance floor that' s us  
Screaming up the bar for a fuss  
All the girls love it when I cuss  
That' s no doubt Styles MC  
Go ahead act like y'all don' t know me  
I see you wondering how I got free  
Hoping that the bar don' t serve tea
- Just came out for a bit of fun  
Get down til the up of the sun  
Test the legs and see how they run  
Pick up the girls or two before I' m done  
Do it every weekend like a re-run  
Crushing more ladies than Quixote or Don Juan  
But don't wanna be a player no more  
Well that' s what I say at the door
- But as soon as I get on the floor  
Bouncers already know the score  
That' s why they get numbers at the door  
Knowin' Styles can't keep his ass on the wall

**Chorus-** x 1

### Verse 2

- Grooving is how we working the club  
Boggling to some reggae dub  
Looking for some girls to grind and rub  
Just wait til I get you back in my tub  
Ya baby, that ass is so fat  
Go ahead and shake it like that  
36, 24, 34 stat  
Let' s see you move it like that
- I think I found another putty cat  
Looks like Styles is going out to bat  
I say we make a home run  
Trust me cutey we' ll both have fun  
Let' s hit the bar and drop a ton  
Pull out some green and roll another one  
To pass you up, I' d be crazy  
I' m loving that body let' s go make babies
- Right now, I forget all my ladies  
Your intoxicating beauty got me hazey  
I know it may only look like a maybe  
But do you think I' ll get to sex you lately

**Chorus-** x 1

### Verse 3

- My presence bounces through the club like trance  
That's why everybody's doin' my dance  
Havin' mad fun is like my only stance  
Groovin' all night til I sweat up my pants  
That's in between my time at the bar  
Vibing the club like a rock star  
Keepin' the naughty girls on Par  
If ur nice Daddy might buy you a car  
Good looks will only take you so far  
That's why Styles became a rap star  
Ya, I see you doing my groove  
Ya, I like how your body moves  
This bunny looks so smooth  
man, it really can't be the youth  
This girl really knows how to rhyme  
Like she's from another life time  
A mind like that with looks so fine  
Definitely looks like another of mine  
Something about her shine  
I think we've got another on line

**Chorus- Repeat to End**
